*\*Notes:*  
 Project areas for the Joint Chiefs' Landscape Restoration Partnership (JCLRP) and the WaterSMART Initiative (WSI) are not represented on this map. JCLRP projects may be established across the nation, and WSI priority areas may be established in any of the 19 States or U.S. Territories that Bureau of Reclamation carries out a WaterSMART program

The National Water Quality Initiatives (NWQI) watersheds are not included on this map. Please see map ID m14783 on the NWQI webpage to see locations of the approved FY 2022 watersheds.
