NATIONAL ENGINEERING HANDBOOK PART 650
ENGINEERING FIELD HANDBOOK
NOTICE 210-WI-126

This notice provides a revision to Chapter 17. Guidance on the use of pre-engineered components has been updated. The pages providing guidance on non-structural concrete slab reinforcement have been removed. ACI 360 no longer recommends use of the subgrade drag equation.

Filing Instructions:

Remove:
Tabulation Sheets
Pages 17-WI-73 and 74
Pages 17-WI-77 and 78

Insert:
Tabulation Sheets
Pages 17-WI-77 and 78

Wisconsin supplements and transmittal notices for the EFH can be found on the Wisconsin NRCS web site at *http://www.wi.nrcs.usda.gov/technical/enghome.asp*.

COLLEEN OESTREICH
Acting State Conservationist
