VETERANS DAY MESSAGE FROM UTAH NRCS

As we celebrate Veterans Day 2011 here are some interesting facts surround this day from NRCS Veterans Special Emphasis Program Manager Eddie Sandoval. "Regardless of the day of the week, Veterans Day is always observed on November 11. The date was chosen to commemorate the ending of World War I on November 11, 1918. Veterans Day was established by Congress on June 4, 1926. The purpose of Veterans Day and Memorial Day are often confused. Memorial Day is for honoring military personnel who died in service to their country. Veterans Day is for thanking ALL men and women who have served honorably in the military during times of war and peace. Please join me as we pay tribute to our NRCS Utah Veterans (more than a dozen) along with all other veterans who have served our great nation."
