UNITED STATES DEPARTMENT OF AGRICULTURE
hereinafter referred to as the Service

WHEREAS, the Watershed Work Plan Agreement as supplemented for Cummins Creek Watershed, State of Texas, executed by the sponsoring local organizations named therein and the Service, became effective on the 28th day of November, 1956, and

WHEREAS, in order to carry out the Watershed Work Plan for said watershed; it has become necessary to modify said Watershed Work Plan as supplemented.

NOW THEREFORE, the Sponsoring Local Organizations and the Service hereby agree upon the following modifications of the terms, conditions, and stipulations of said Watershed Work Plan Agreement.

1. The Bastrop-Fayette Soil Conservation District being one of the original Sponsoring Local Organizations signatory to the original Work Plan executed on December 27, 1955, as supplemented on the 28th day of November, 1956, transferred to the Fayette Soil Conservation District all liabilities and responsibilities incident to the watershed protection program on Cummins Creek, such action being taken in a meeting of the Board of Supervisors of the Bastrop-Fayette Soil Conservation District held on February 25, 1958.

2. The Board of Supervisors of the Fayette Soil Conservation District in special session of February 25, 1958, assumed, among other things the liabilities and responsibilities incident to all agreements entered into by the said Bastrop-Fayette Soil Conservation District with the United States Department of Agriculture Soil Conservation Service concerned with flood prevention works of improvement on the Cummins Creek Watershed.

3. The original Work Plan, as supplemented, is hereby modified to delete Bastrop-Fayette Soil Conservation District and to include Fayette Soil Conservation District as parties signatory to the said Work Plan, it being agreed by the Sponsoring Local Organizations and the Service that all other terms, conditions, and stipulations of the said Work Plan, as supplemented, remain in full force and effect.
