do hereby certify that_____will be operating my land for the length of the Conservation Stewardship Program contract (five years).

Land Uses Operator has control of: ☐ All

- ☐ Cropland
- ☐ Pasture
- ☐ Farmstead (Buildings, Grain Bins, etc.)
- ☐ Associated Ag Land (Incidental areas such as waterways, odd areas, ditches, field borders, etc.)
- ☐ CRP

For the above described land unit that I own, I provide my assurance that the above Operator will have control of this land and has the authority to act as decision maker for the management and operation of this land for the purpose of satisfying the terms and conditions of a Conservation Stewardship Program contract for the proposed contract period.

I, the landowner, of property included in and subject to the terms of this Contract, hereby agree and allow the Participant to implement and install all scheduled vegetative or structural conservation activities on the land I own as specified in the incorporated Contract documents.

If there are any owner/operator changes on this farm/tract, I agree to notify, in writing, the local NRCS USDA Service Center immediately. If operator or ownership changes, it is my intention that the new operator or owner would continue the requirements for the CSP contract.
