10:00am

Lowes Annapolis Hotel, Ballroom A&B

126 West St

Annapolis, MD 21401

(410) 263-7777

The Food, Conservation, and Energy Act of 2008 (2008 Farm Bill) contains new conservation program assistance targeted for the Chesapeake Bay Watershed, utilizing established conservation programs and practices.

This listening session will provide interested stakeholders and the public at large an opportunity to provide input on which practices, programs, and geographic areas might be considered priorities under the new Farm Bill.
