

DETERMINING POTENTIAL ELIGIBILITY AND RANKING CRITERIA Grazing Lands (Eastern Redcedar) Statewide Natural Resource Concern EQIP Outside Local Emphasis Areas

The following guide is provided for determining those applications having potential to earn environmental points in EQIP Grazing Lands (Eastern Redcedar) Natural Resource Concern outside of local emphasis areas. It is to be used by USDA personnel in understanding the priority resource issues being considered in 2003 and where appropriate to aid clients in determining whether their particular resource concern(s) would receive ranking points in this year's evaluation.
