

KEY TO STATUS REPORT OF (P.L.83-566) AND (P.L.78-534)  
AUTHORIZED WATERSHED PROJECTS  
As Of September 30, 2005

**Status**

- **A: Active Projects-** Projects that are currently in implementation.
- **I: Inactive Projects-** An administrative category for authorized projects in which there has been no implementation in recent years.
- **C: Completed Projects-** All planned elements contained in the project plan of operations have been implemented. Operation and maintenance is being carried out for all enduring measures.
- **P: Project life is over-** Completed projects in which the evaluated life of all works of improvement has been met or exceeded.
- **D: Deauthorized Projects-** Authorized projects in which no works of improvement have been implemented; and it has been determined that no implementation will occur, due to either the lack of technical feasibility or factors that limit the ability of the project sponsor(s) to perform their responsibilities.

**Update Year-** Date of the most recent project status change.

**Purposes:**
