# Notice of Prescribed Burn

What **YOU**  
Need to Know.

USDA's Natural Resources Conservation Service (NRCS) in partnership and U.S. Fish and Wildlife Service will perform a prescribed burn on this site that is enrolled in the Wetland Reserve Program in Linn County, Oregon.

The exact date and time of the burns will depend on weather conditions, but the burns will take place sometime between:

**Sept. 1 - Nov. 30, 2023**

## **Freerksen Easement Site**

Size: 73 acres

Location: 1.5 miles West of Albany; 0.3 miles West of railroad; 2.88 miles East of Corvallis

Private residences are adjacent to the burn area.

The burns will be completed by professional prescribed burning teams and will be closely monitored by technical staff to ensure public safety. Minimal to moderate smoke impact is expected.

Prescribed burning is an effective land management tool that provides multiple benefits to the land, including healthier soils and improved habitat for wildlife.
