PARTNERS INVITED TO PARTICIPATE IN FARM BILL LISTENING SESSION THIS THURSDAY

Interested conservation partners are invited to participate in an audio listening session on the upcoming release of the announcement for funding the new Regional Conservation Partnership Program under the 2014 Farm Bill. NRCS leadership will be on hand to listen to suggestions, hear comments, and take recommendations in anticipation of the release of the funding announcement. The new Regional Conservation Partnership Program (RCP) consolidates programs from the 2008 Farm Bill, such as the Cooperative Conservation Partnership Initiative, Ag Water Enhancement Program and the Chesapeake and Great Lakes programs.

To participate by phone, RSVP to NRCSRSVP@wdc.usda.gov by close of business Wednesday, April 16. Please request a call-in number in your RSVP message. If you have any questions, contact NRCS staffer [Callie Varner Eideberg](#).
