Task Guide #59
Turning off the Feature Construction Toolbar in ArcMap
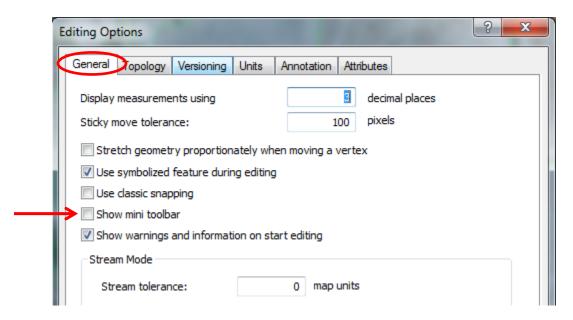

June 25, 2014

Abstract

When the ArcMap Feature Construction Toolbar is active, it may pop up and interfere with digitizing. This toolbar can be disabled under ArcMap editing options.

Instructions

1. In ArcMap, click **Customize** > **Toolbars** > **Editor** to turn on the **Editor Toolbar**.
2. On the Editor Toolbar, click **Editor**, then **Options**.

3. On the **Editing Options** window, select the **General** tab.
4. **Uncheck** the box next to '**Show mini toolbar**' to disable the toolbar.

5. Click **OK** to apply the change and close the **Editing Options** window.
6. Click on the **'X'** at the upper right corner of the **Editor Toolbar** to close.
