

**Natural Resources Conservation Service
Regional Conservation Partnership Program
State Conservationist Questionnaire**

Lead Partner Name:

Project Name:

Signature

Date:

1. What conservation benefits can NRCS anticipate from this Project (key objectives, results, etc.)?
2. What RCPP activity types do you plan to use to accomplish these objectives (i.e., rental contracts, entity-held easements, U.S. held easements, land management contracts)?
3. Where do you plan to work (scale, geography)? Attach map, if available.
4. Do you have a backlog of interested producers or is there a focused conservation interest?
5. How much funding are you requesting? TA_____ FA_____
6. What are the top five practices or enhancements you plan to install or implement?
7. What skillsets are you bringing to the table? (i.e., outreach, planners, technicians, biologists, foresters, range specialists, realty specialists, etc.)?
8. What is your project timeline?
9. Do you plan to monitor or evaluate results?
10. Are you wanting special considerations (i.e., AFA, AGI, interim standards, easements, Waivers to Covered Programs)?
11. What is your history working with conservation program delivery and/or your target producer group?
12. How do you plan to track third party contributions?
