

AAQTF  
2008-2010  
Agricultural Non-Road Vehicles and Engines  
Sub-Committee

Chair: Manual Cunha, West Coast

Chair: Chris Petersen, East Coast

Gary Baise, Rick McVeigh, Roger Isom, Cynthia Cory, Bob Avant

Govt. Liaison: Jeff Schmidt, Johnnie Siliznoff

Charge:

\*209E, 213 Preemption of 175 hp and below hp.equipment.

\*National regulating of farm equipment

\*USDA to respond to EPA to investigate scientific data that deals with farm equipment emissions. (Petition for rulemaking seeking the regulation of Greenhouse Gas emissions from non-road vehicles and engines “the CA petition”)

\* Research & provide alternatives to regulation.

\* Provide consistency in rule promulgation.

Issues:

1. USDA needs to reevaluate science and date proposed by CA petition.
2. No state can preempt national regulation.
3. Economic and social impact to industry and communities from regulations.
- 4.
