¹ Limited Resource Farmer/Rancher or Beginning Farmer/Rancher - add 25% cost-share up to a maximum of 90%.

² Practices/components associated with Animal Waste Management Systems will be limited to a maximum of \$150,000 cost-share per system.

³ Wells will be limited to a maximum of \$100,000 cost-share.

⁴ Cost-share increased to 75% due to concerns of grassland health and conversion that exist throughout the state.

⁵ Supporting practices will be cost-shared at the same rate as the principal practice (i.e. Range Planting is 75% so the Pest Management will be cost-shared at 75% also).
