
NJ650.14 References

The New Jersey Water Management Guide is an update of the 1987 New Jersey Drainage Guide. Much of the text was adapted from National Engineering Handbook, Part 650, Engineering Field Handbook, Chapter 14. References cited below are the primary sources used for update of the NJ Water Management Guide. For the complete list of sources, refer to EFH Chapter 14.

United States Department of Agriculture, Soil Conservation Service, New Jersey Drainage Guide, July 1987.

United States Department of Agriculture, Natural Resources Conservation Service, National Engineering Handbook, Part 650, Engineering Field Handbook, Chapter 14, Water Management (Drainage).

United States Department of Agriculture, Natural Resources Conservation Service, National Engineering Handbook, Part 650, Engineering Field Handbook, Chapter 13, Wetland Restoration, Enhancement, or Creation.

United States Department of Agriculture, Natural Resources Conservation Service, National Engineering Handbook, Part 624 (Section 16), Drainage.
