

# ***Cover Crops for Soil Health on the Coastal Plain***

***A workshop with classroom presentations and field tours***

***Thursday, October 18, 2012***

***8:30 a.m. to 3:30 p.m.***

***Cape May Plant Materials Center***

***GPS Location: 1536 Route 9 North  
Cape May Court House, NJ  
in the Swainton section of Middle Township***

***Mailing Address: 1536 Route 9 North  
Cape May Court House, NJ***

Cover crops provide many different benefits for intensive production systems, including improved soil fertility, water holding capacity, and erosion control. This workshop is designed to educate growers and ag professionals from the Coastal Plain about a variety of cover crop species and mixtures, with an emphasis on improving soil health. Soil improvement with leaf mulching will also be discussed.

## ***Who should attend?***

Growers and agricultural professionals, particularly those from the coastal plain region

## ***Register by October 5, 2012!***

Send \$10 registration fee (payable "Cape Atlantic Conservation District") and completed registration form to:

**Earn 6 Nutrient Management  
CEUs from Maryland  
Department of Agriculture.**

### [Cape Atlantic Conservation District](#)

6260 Old Harding Highway  
Mays Landing, New Jersey 08330  
Phone: (609) 625-3144  
Fax: (609) 625-7360

Workshop includes continental breakfast and a box lunch. Reasonable accommodation for persons with disabilities is available. Registration will be limited to 75 participants.

*Please include request for reasonable accommodation and any dietary requirements with your registration.*
