

DELTA Environmental Handheld XRF Analyzer

ADDRESSING THE NEEDS OF OUR CUSTOMERS
IN URBAN AND RURAL SETTINGS TO INSURE
THE QUALITY OF AGRICULTURAL PRODUCTS

“Solving the problems facing agriculture, rural areas and farmers remain a top priority of our work.”

Wen Jiabao

The Delta handheld XRF Analyzer can provide cost-effective, timely analysis of a wide range of elements in soil, including trace metals. It is a reliable screening tool that can examine spatial variability on-site, and help determine the next course of action without running up excessive lab costs.

The U.S. Department of Agriculture (USDA) prohibits discrimination in all of its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, political beliefs, genetic information, reprisal, or because all or part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD).

To file a complaint of discrimination, write to USDA, Assistant Secretary for Civil Rights, Office of the Assistant Secretary for Civil Rights, 1400 Independence Avenue, S.W., Stop 9410, Washington, DC 20250-9410, or call toll-free at (866) 632-9992 (English) or (800) 877-8339 (TDD) or (866) 377-8642 (English Federal-relay) or (800) 845-6136 (Spanish Federal-relay). USDA is an equal opportunity provider and employer.
