

PART MI540 – FIELD SURVEYS

MI540.01

MI540.01 NRCS-Michigan Format

Technical Release 62 (National Engineering Handbook, Part 640, Field Surveys) will be filed and maintained in National Engineering Handbook, Part 650, Engineering Field Handbook, Chapter 2, Field Surveys.

The format of field survey notes will be similar to the format shown in Technical Release 62 (National Engineering Handbook, Part 640, Field Surveys). Notes from surveys recorded on electronic data collectors will be in a form compatible with the data collector software.

Survey notes will provide the minimum information shown in the sample notes in Technical Release-62, (National Engineering Handbook, Part 640, Field Surveys).
