

NEH Part 651 – Agricultural Waste Management Field Handbook
Chapter 4 - Agricultural Waste Characteristics

MI-651.0403 Animal Waste Characteristics

For the "as excreted" condition in Michigan, use MWPS-18, Section 1, Manure Characteristics, Manure Management System Series, 2000, Table 6, Daily Manure Production and Characteristics, As-Excreted. The information from this reference is incorporated into the Animal Waste Management computer program data base file for Michigan. This publication is also referenced in the Michigan Right-To-Farm Generally Accepted Agricultural and Management Practices for Manure Management and Utilization.
