

February 22, 1993

**ANIMAL WASTE MANAGEMENT FIELD HANDBOOK NOTICE IL-1**

This notice transmits all Illinois Supplements to the AWMFH, dated April 1992. Supplements are:

1. Step-by-step procedures for designing vegetative filter strips and filter areas.
2. Precipitation normals for reporting stations in Illinois.
3. Localized maps of average runoff from feedlots.

Instructions: File the attached pages IL 10-66(1) through (12) after AWMFH page 10-66. File the attached pages IL 10C-32 through 10C-40 after AWMFH page 10C.
