Prescribed Burn Contractor List

The following is a list of consultants in the northeastern Illinois area that provide controlled burning as a service. This information is provided as a public service and does not constitute a recommendation, endorsement or certification of their qualifications or performance record, nor does the absence of a firm from the list constitute a negative endorsement. While an effort has been made to provide a complete and accurate listing, omissions or other errors may occur and therefore other available sources of information should be consulted. Those seeking professional services are advised to use independent judgment in evaluating the credentials of any firms appearing on this list.

This list was compiled by the U.S. Fish and Wildlife Service's Chicago, Illinois Field Office. Contact their office, using the information provided in Appendix A, for any updates or corrections to the list.
