

Instructions for IL-ENG-6

Please fill in the following data fields to automatically fill in the data on the drawing:

Landowner/Operator Name

Name of Practice (eg. Grassed Waterway)

Legal Description

County Name

Designer Name

Designer Date

Total Number of Sheets in Plans

Type of Packet (Plans or Supporting Docs), Engineering Job Class, and Index of Sheets are to be filled out directly on the drawing.

If desired, you can use the comment tools (Tools→Comment and Markup) to mark the location of your project on the map. Stamps→Sign Here→Rejected is a nice location marker, or you could use the text box tool to create your own marker. Use a combination of your preference of text box tool, callout tool, arrow tool, or others to label your marker as desired. The items created with comment tools can be moved around the page and deleted as well.

NOTE: When printing, choose page 2 in the Print Range if you want only the drawing to print.
