AGRICULTURAL WASTE MANAGEMENT FIELD HANDBOOK NOTICE IL-6A

This notice transmits procedures, examples and worksheets for designing constructed wetlands for the secondary treatment of agricultural wastes.

Procedures for designing constructed wetlands for treating agricultural wastes were contained in Bulletin 210-1-7, dated August, 1991. All wetlands designed by this procedure and under Interim Standard and Specification IL-999 should be approved by the State Conservation Engineer.

FILING INSTRUCTIONS: File pages IL-10-40-1 through 18 after page 10-40 in the Agricultural Waste Management Field Handbook.

The United States Department of Agriculture (USDA) prohibits discrimination in its programs on the basis of race, color, national origin, sex, religion, age, disability, political beliefs and marital or familial status. (Not all prohibited bases apply to all programs). Persons with disabilities who require alternative means for communication of program information (braille, large print, audiotape, etc.) should contact the USDA Office of Communications at (202) 720-7808 (TDD). To file a complaint, write the Secretary of Agriculture, U.S. Department of Agriculture, Washington, D.C., 20250, or call (202) 720-7327 (voice) or (202) 690-1538 (TDD). USDA is an equal opportunity employer.
