NRCS ALL-EMPLOYEE MEETING CHALLENGES EMPLOYEES TO BE THEIR BEST

On Wednesday of this week 152 NRCS employees from Utah gathered in Spanish Fork for an all-employee meeting with the theme, "New Beginnings—Our Employees Make the Difference." State Conservationist Dave Brown welcomed the group and challenged them to not just be good at what they do, but to become the best they can be.

A short program emphasized the importance of work/life balance and working together as a team.

If you attended, please help plan for future similar events by completing a short, 10 question survey on **Survey Monkey** at: <http://www.surveymonkey.com/s/BBM52VZ>

Employees who were not able to attend can request a DVD copy of two of the presentations—the work/life panel and/or the presentation on how to talk to your neighbor about conservation.

A few photos from the event follow. Thanks to those who organized and participated in the statewide event.
