RICHFIELD 10TH GRADE CAREER DAY FEATURED NRCS CAREERS

An NRCS careers exhibit, staffed by NRCS Soil Conservationist Wade Ingram and Area II Administrative Assistant Sandy Albrecht, was part of the recent Central Region 10th Grade Career Day, held at the Sevier Valley Center in Richfield. The accompanying photo shows Ingram describing NRCS career options and providing career brochures to students visiting the exhibit.

An estimated 1200 10th grade students from Juab, Tintic, North Sanpete, Gunnison, Manti, Wayne, Piute, Richfield, South Sevier, North Sevier, Millard and Delta attended this Career Pathway Event. There were over 50 Career Booths, many with hands on activities, that allowed students to explore their career options. There were also booths for non-traditional male and female employment opportunities.
