Draft Environmental Impact Statement Available for Review and Public Meeting

Natural Resources Conservation Service (NRCS) has prepared a Draft Environmental Impact Statement (EIS) for the Logan Northern Canal (LNC) Reconstruction project to meet its responsibilities under section 102(2)(c) of the National Environmental Policy Act ([NEPA] 42 U.S.C. Sections 4321-4370d), as implemented by the Council of Environmental Quality regulations (40 CFR Parts 1500-1508).

Hard copies of the Draft EIS document are available for review at the following locations:

- Cache County offices, 199 North Main, Logan
- Cache County Library, 15 North Main, Providence
- City of Logan Library, 255 North Main, Logan
- City of North Logan Library, 475 East 2500 North, North Logan
- USU, Merrill-Cazier Library, 3000 Old Main Hill, Logan
- NRCS main office, Wallace F. Bennett Federal Building, 125 South State Street, Salt Lake City
- NRCS field office, 1860 North 100 East, North Logan

In addition, the entire Draft EIS document is available on the NRCS Utah Web site, (<http://www.ut.nrcs.usda.gov/programs/EWP/LNCRP/index.html>).

Also, a public meeting is scheduled for **Thursday, March 31, 2011 at the Bridgerland Applied Technology College, West Campus (1000 West 1400 North) from 5:30 p.m. to 7:30 p.m.** The public is encouraged to attend at any time during these hours. Project staff will be available to address questions one-on-one throughout the meeting. The public may submit written comments to any project team member or the comment box. A court reporter will record any verbal comments from the public.

Comments on the Draft EIS may also be submitted in the following ways:
