## ALL-EMPLOYEE AWARD FOR NATIONAL AUDIT WORK

NRCS State Conservationist Sylvia Gillen announced that all permanent, full-time NRCS employees in Utah will in the near future be receiving a recognition award for their support and

hard work in completing the first phase of the national audit last November and December. "After nearly a year into the audit, I can report that Utah NRCS is meeting and exceeding most requirement of the national audit being conducted by the audit firm, KPMG. To help recognize your exceptional efforts, we are providing each of you with an award in the form of an airport-friendly laptop brief case," said Gillen.

In the accompanying photo, Resource Staff Secretary Dee Cummings displays the sturdy and functional brief case, that includes the NRCS logo. A supply of the brief cases will be delivered to each area office in the next few days. While work on the audit will continue for the next few years, we are

now much better prepared to meet the demands of the audit, Gillen added.
