UTAH WEBMASTER DUTIES REASSIGNED

Sharon Ryle has been assigned Webmaster duties for Utah NRCS and Public Affairs Specialist Ron Francis has been assigned oversight responsibility for Web content and will act as assistant Webmaster. In making the announcement, State Conservationist Sylvia Gillen said the NRCS commitment to the e-initiative will require that more focus be placed on the content and accessibility of the Utah Web page.

Ryle accepted the position following the relocation of the Area III office from Vernal to Price, and will continue to provide part-time administrative assistance to the Area from her duty station in Vernal. She can be reached at (435) 789-2100 x38; sharon.ryle@ut.usda.gov

Ryle succeeds Charlotte Waters, who was relieved from Webmaster duties under IT Convergence guidelines. Gillen expressed appreciation to Waters for her years of dedicated service in establishing the current look and feel of the site as well as the periodic updating required. Waters continues to provide IT support from her duty station in Provo.
