IOWA BULLETIN NO. IA190-12-2

SUBJECT: ECS – TECHNICAL WETLAND REFERENCE IN FOTG

PURPOSE. To provide information on keeping book at field office (FO).

EXPIRATION DATE. September 30, 2013

The ARC's recently delivered to every field office a technical reference book titled, A Great Lakes Wetland Flora – Third Edition.

References to the publication have been placed in the FOTG. Therefore the book should be kept in the office as reference material to be used by FO personnel.

If you have any questions, please discuss with your supervisor.
