IOWA INSTRUCTION 230-384 - NON-DISCRIMINATION STATEMENT ON PUBLICATIONS

1. PURPOSE:

This Iowa Instruction provides direction regarding non-discrimination statements on all publications on display in all offices and distributed at events. All publications displayed in or distributed by any office must have a non-discrimination statement.

2. ROLES AND RESPONSIBILITIES:

NRCS requires that all publications on display in or distributed by all offices include a non-discrimination statement. NRCS publications must include the NRCS non-discrimination statement; non-NRCS publications must include the statement used by the agency or organization that developed the publication. If a publication does not include a non-discrimination statement, it will not be displayed in an NRCS office.

3. PROCESS:

All existing publications without a non-discrimination statement will be removed from public display in all offices. From this day forward, publications without non-discrimination statement will not be displayed. Non-discrimination statement labels should be used on NRCS publications that do not have a non-discrimination statement. For use in development of new NRCS publications, the current NRCS non-discrimination statement is:

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or a part of an individual's income is derived from any public assistance program. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD). To file a complaint of discrimination, write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410 or call (800) 795-3272 (voice) or (202)720-6382 (TDD). USDA is an equal opportunity provider and employer.
