Personal
 The Personal menu provides you with tools to manage your Profile and Regional Settings, check on your Order Status and Order Tickets, and use the Career Planner to self-assign learning.

Learning
 The Learning menu contains most of the tools that you will access the most frequently, the most important of which is the Learning Plan. The Learning Plan allows you to access your assigned online learning or register in instructor-led learning.

Career
 The Competencies menu allows you to view your Assessment History, display your Competency Assignments, and perform a Competency Assessment on yourself (and others, if you are a supervisor).

Catalog
 The Catalog contains all of the learning Items to which you have access. You can Browse by Subject Area or use the Simple or Advanced Searches to find what you are looking for.
