

Statement of Control of Land For Contract Period

A requirement of the _____ is that program participants have control of land enrolled for the contract period. Contract participants who rent or use land that they do not own may use this form to demonstrate control of the land for the contract period. Signed leases, rental agreements, or other similar documentation may also be used to show control of the land for the contract period.

If circumstances continue as they have been into the foreseeable future, I/we plan to continue to allow the identified operator(s) to control the agricultural production on the listed tracts and fields for the length of the contract period.
