

Leopold Conservation Award

Partner Expectations

Partners

- Contribute to a collective annual effort to secure nominees for the award
- Contribute to the formation of a qualified judging panel which will review the nominations and recommend a winner and two runners-up to SCF
- Contribute financially or in-kind toward the award program to assure the long-term continuation of the award in Minnesota
- Identify and contact potential funders for the program to reach the \$25-40,000 annual cost of the program
- Communicate internally and externally information about the award, the nominees and winners, and the partnership that makes it possible.

Sand County Foundation

- Provide all the administrative management for the planning, fundraising, nominating, evaluation, and presentation activities associated with the Leopold Conservation Award in Minnesota
- Communicate internally and externally information about the award, the nominees and winners, and the partnership that makes it possible
- Provide, in draft form, all program materials including, but not limited to, general program literature, nomination forms, and evaluation criteria.
