

PART 512 - CONSTRUCTION

SUBPART E – EQUIPMENT, RECORDS, AND COORDINATION

§WI 512.41 Records

- (e) For Engineering Job Class I-V conservation practices, Form SCS-ENG-310 or other bound suitable job diary or project books shall be utilized to record the job diary information required.
- (f) For Engineering Job Class VI-VIII conservation practices, Form SCS-ENG-310 shall be utilized.
- (g) The level of detail to be recorded in the job diary shall be commensurate with the complexity of the work. The job diary should include a complete history of the work by listing in chronological order events having a bearing on the performance of the work.
