**NATIONAL ENGINEERING HANDBOOK
210-VI**

**AGRICULTURAL WASTE MANAGEMENT FIELD HANDBOOK
PART 651
AMENDMENT WY-1**

SUBJECT: ENG – CHAPTER 4, “AGRICULTURAL WASTE CHARACTERISTICS”

Purpose: This notice transmits a supplement for the daily bedding requirements for dairy cattle.

Effective Date: Effective upon receipt.

Background. To indicate the recommended amount of loose hay or straw bedding used for dairy cattle housed in free stall barns.

Filing Instructions: Make a pen and ink addition to Table 4-4, Chapter 4, Agricultural Waste Characteristics. Write “2.6” in the first row, second column, to indicate 2.6 lb/d/1000# loose hay or straw bedding for a free stall barn.
