

# CONSERVATION STEWARDSHIP PROGRAM

## Ag Operation Documentation of Control of Land

County	FSA Farm No.	FSA Tract No.	*Is this in any Conservation Program? If so, which one?	Reason(s) (see list below) the land will not be included in Ag Operation
Reason Code	Reason			
A	The lease does not cover the entire CSP contract length. Indicate the length of your lease here: _____ years			
B	I am listed as the operator in FSA records, but do not operate this portion of the tract. If known indicate who operates the land. _____			
C	The land is operated with separate equipment and uses a separate accounting system.			
D	The Land does not meet the crop production eligibility.#			
E	The land is currently enrolled in another Conservation Program as listed above.			
F	Other- Provide a detailed explanation (use additional paper if needed):			

By signing this document, I verify that the above information accurately describes my Ag Operation. My operator/tenant has the authority to act as decision maker for the management and operation of this land for the purpose of satisfying the terms and conditions of the CSP contract with the Natural Resources Conservation Service. I understand that all conservation practices and enhancements must be maintained for the lifespan of the practice(s) or enhancement(s). I understand that, if approved, my operator/tenant will receive payments for the installation of these conservation practices and enhancement activities .
