410	Grade Stabilization Structure ³	Number
500	Obstruction Removal ³	Number
500	Obstruction Removal ³	Feet
511	Forage Harvest Management ³	Acre
512	Forage and Biomass Planting ³	Acre
516	Pipeline ³	Feet
533	Pumping Plant ³	Number
550	Range Planting ³	Acre
574	Spring Development ³	Number
614	Watering Facility ³	Number
642	Water Well ³	Number
643	Restoration and Management of Rare and Declining Habitats ³	Acre
645	Upland Wildlife Habitat Management ²	Feet
Management Practices		
472	Access Control ³	Acre
528	Prescribed Grazing ²	Acre
	¹ Historically Underserved (HU)—Beginning Farmers/Ranchers (BF/R), Limited Resource Farmers/Ranchers (LRF/R), and Socially Disadvantaged Farmers/Ranchers (SDF/R) are eligible for a higher payment rate.	
	² Core conservation practice must be either planned or already applied on the land to be eligible. Planned core conservation practices must receive financial assistance. Core conservation practices already applied will be documented in the conservation plan in toolkit.	
	³ Supporting conservation practice only eligible if associated with a core practice that is planned or already applied on the land.
