**KANSAS BULLETIN NO. KS270-12-2**

**SUBJECT: IRM—Telecommunication and Technology Purchases  
and/or Issues**

**Purpose.** To provide guidance on telecommunication and technology issue/purchase process

**Expiration Date.** September 30, 2013

When field, area, or state office staffs have any issue with phone systems or are initiating the process for any telephone- or computer-related purchases requiring Office of the Chief Information Officer (OCIO)—International Technology Services (ITS) approval, please include James J. Krueger, Assistant State Conservationist for Operations, in the communication. This will allow progress to be tracked and followed up on if there are any issues in addressing a situation.

**Contact:** James J. Krueger, Assistant State Conservationist, at 785-823-4508 or Deborah L. Newton, Information Technology Specialist, at 785-823-4503
