<sup>1</sup> Practice eligible for cost share for use with wetland developments associated with 657, 658, and 659.

<sup>2</sup> Practice eligible for cost share for use with tree and shrub plantings associated with 380, 391, 612 and 650.

<sup>3</sup> Practice will be included within the \$3,500 limit when scheduled as a component for 378.

<sup>4</sup> Equipment rate component is not eligible for this practice.
