KANSAS BULLETIN NO. KS360-12-9

SUBJECT: PER—All Terrain Vehicle Training

Purpose. To announce the participants for the subject training

Expiration Date. September 30, 2013

Over the past few years, there has been an increase in the number of NRCS employees who have access to an All Terrain Vehicle (ATV) at their work locations and have not yet participated in an ATV Safety Training Course. Due to this increase, an ATV Safety Training Session has been scheduled to provide the required training to these employees.

The training session will take place on **Tuesday, May 15, 2012**, at the Quivira National Wildlife Refuge which is located approximately 30 miles west of Hutchinson, Kansas (refer to attached map). The training session will begin promptly at 8:30 a.m. and will end sometime around 3 p.m.

The following employees have been selected to participate in this session:

James C. (Chad) Remley, Soil Scientist, Salina State Office
Austin Jost, Marion County Buffer Coordinator, Marion Field Office
Kevin A. Vaughn, Soil Conservationist, Hugoton Field Office
Kenneth Brunson, Rangeland Management Specialist, Greensburg Field Office
Allie Rath, Wildlife Biologist, Ulysses Field Office
Lisa Vondekamp, Conservation District Clerk, Marion Field Office
Amy E. Williams, District Conservationist, Lawrence Field Office

****NOTE—Participants selected, but unable to attend, should contact Alan Boerger immediately.***

All participants must have the following equipment in order to participate in the training sessions:

ATV (with full fuel tank)*
Helmet*
Eye protection (goggles or face shield). **Sunglasses and prescription glasses alone are not acceptable for this class.***
Gloves*
Long pants*
Boots (over the ankle)*
Appropriate outdoor wear depending on weather conditions
Drinking water
Lunch

(*Item is required in order to participate in the training session.)
