	<sup>1</sup> A higher payment rate has been set for any participant that qualifies as a Limited Resource Farmer or Rancher (LRF/R), Beginning Farmer or Rancher (BF/R), or Socially Disadvantaged Farmer or Rancher (SDF/R). LRF/R, BF/R, or SDF/R may apply under the ranking category specific to their resource concern, or the ranking category specifically for their historically underserved group.	
	<sup>2</sup> Practice is eligible on irrigated acres converting to non-irrigated. Practice will be implemented a minimum of five years and payment will be made upon annual implementation of the practice.	
	<sup>3</sup> Practice will be implemented a minimum of three years. Payment will be made upon annual implementation of the practice.	
	<sup>4</sup> Practice is eligible on irrigated acres that are converting to non-irrigated.	
	<sup>5</sup> Financial assistance is authorized when this practice is installed for conversion from irrigated cropland to non-irrigated cropland system on 100 percent of the acres under the water right. Payment is only authorized on the irrigated acres and must be taken for five years.	
	<sup>6</sup> Financial assistance is authorized when this practice is installed for conversion from irrigated cropland to non-irrigated grassland on all acres under the water right. (Planting will meet Natural Resources Conservation Service (NRCS) Conservation Practices 512 or 550 standards and specifications.) Payment is only authorized on the converted acres and must be taken for five years.	
	<sup>7</sup> Financial assistance is authorized when this practice is installed for conversion from irrigated cropland to non-irrigated grassland on all acres under the water right. (Planting will meet NRCS Conservation Practice 550 standards and specifications.) Payment is only authorized on the converted acres and must be taken for five years.
