Plants Enhancement Activity – KS-PLT01 Establish Pollinator Habitat

Kansas Criteria for National Plants Enhancement Activity – PLT01

1. Refer to Table 2 of Construction Specifications 645, Upland Wildlife Habitat Management, for listing of forbs/legumes, seeding rates and their attributes.
2. No more than two annual forb/legume species will be used in a seeding mix.
3. Refer to Construction Specifications 645, Upland Wildlife Habitat Management, for approved cover crops, inter-seeding methods, and seeding dates.
4. If flowering trees/shrubs are planted for pollinator habitat they will be in addition to the nine species of forbs/legumes in the seeding mix.
5. Refer to Kansas Forestry Technical Notes KS-9, Tree/Shrub Establishment and Maintenance Guidelines, and KS-10, Conservation Tree/Shrub Plantings Suitability Groups, Windbreak Suitability Groups, and Plantings for Kansas, for tree/shrub planting guidance and species selection information.
6. Refer to Construction Specifications 612, Tree/Shrub Establishment, for details on planting woody vegetation.
7. Potentially invasive or noxious plants will not be used for pollinator habitat.
