**KANSAS BULLETIN NO. KS190-13-1**

**SUBJECT: ECS—No-Till on the Plains Winter Conference 2013**

**Action required by:** January 9, 2013 (Field offices)  
January 10, 2013 (Area offices)

**Purpose.** To provide information on the subject conference

**Expiration Date.** September 30, 2014

The No-Till on the Plains Winter Conference will be held at the Bicentennial Center in Salina, Kansas, on January 29-30, 2013.

Requests for attendance are to be submitted on Form KS-FNM-10, Request for Approval to Attend Meeting/Unscheduled Training, along with a completed conference registration form through proper channels to your assistant state conservationist for field operations for approval by January 9, 2013. Requests should then be forwarded to the state office to the attention of Janelle Heiser, by January 10, 2013. Priority for attendance will be given to employees that have never/not recently attended the conference or have producers attending from their county. On Form KS-FNM-10, in your written justification for attendance, indicate how many producers from your county will be attending, the year you last attended the conference, and reasons why you should be approved. Due to the limited budget, attendance will be restricted.

The registration form and conference information is attached. This form may be provided to producers and others, or they may register online for added convenience.

The state office will make a group registration for NRCS personnel approved to attend.
