KANSAS BULLETIN NO. KS360-13-10

SUBJECT: PER—All Terrain Vehicle Training

Purpose. To announce the participants for the subject training

Expiration Date. September 30, 2014

Over the past few years, there has been an increase in the number of NRCS employees who have access to an all terrain vehicle (ATV) at their work locations and have not yet participated in an ATV Safety Training Course. Due to this increase, an ATV Safety Training Session has been scheduled to provide the required training to these employees.

The training session will take place on **Thursday, May 23, 2013**, at the Quivira National Wildlife Refuge which is located approximately 30 miles west of Hutchinson, Kansas (refer to attached map for directions). The training session will begin promptly at 8:30 a.m. and will end sometime around 3 p.m.

The following employees have been selected to participate in this session:

Nathan M. Lind, Soil Conservationist, Johnson Field Office
Amber D. Sanko, District Conservationist, Cimarron Field Office
Dustin Ferris, Soil Conservation Technician (DOC), Effingham Field Office
Charley Hunter, Soil Conservationist, Effingham Field Office
Marie S. Faatuala, Soil Conservationist, Wellington Field Office
Marvin Lewis, Soil Conservationist, Paola Field Office
Michele Witecha, Prescribed Burn Specialist, KFS, Scott City Field Office

****NOTE—Participants selected, but unable to attend, should contact Alan Boerger immediately.***

All participants are required to have the following equipment in order to participate in the training sessions:

ATV (with full fuel tank)
Helmet
Eye Protection (goggles or face shield). **Sunglasses and prescription glasses alone are not acceptable for this class.**
Gloves
Long Pants
Long Sleeve Shirt
Boots (over the ankle)
Appropriate outdoor wear depending on weather conditions
Drinking water
Lunch (we will be miles from nearest town)

(more)
