

United States Department of Agriculture  
Natural Resources Conservation Service

2010 Ranking Period 2

**Water Quality Enhancement Activity – KS-ANM06  
Extending existing riparian herbaceous cover for water quality  
protection and wildlife habitat**

**Kansas Criteria for National Water Quality Enhancement Activity – ANM06**

1. Refer to Conservation Practice 390, Riparian Herbaceous Cover, for additional herbaceous cover information.
2. For wildlife-friendly seeding recommendations, refer to Construction Specifications 645, Upland Wildlife Habitat Management. A brood cover mix is recommended to benefit adapted bird species.
