TO: All Kansas CES, NRCS, FSA, Rural Development and
Conservation District Offices in Kansas

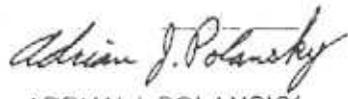

FROM: State FAC

SUBJECT: FAC Notices

FAC-Notices

We find ourselves periodically sending out joint memorandums on FAC issues. In order to facilitate the retention and filing of these memorandums, we will use a numbering system starting with 2000-1. This means ~~memorandum number one of the year 2000~~. A file will be established and maintained at each service center for these FAC memorandums.
