

NRCS Alaska Conservation Innovation Grant

BUDGET JUSTIFICATION TEMPLATE

The following is an example outline of a budget narrative to meet NRCS CIG requirements. The Budget Narrative reflects the Budget Object Class Categories found on Standard Form SF-424A. Note that the total amount that is reflected in each category on the SF-424A must match the amount for that category in the Budget Narrative.

Budget Details:

a. Personnel

b. Fringe Benefits

c. Travel

d. Equipment (provide description and estimated cost per unit (if appropriate) for items >= \$5000)

e. Supplies

f. Contractual

g. Construction

h. Other – Services

j. Indirect Charges

In-Kind Contributions: (Non-cash donations provided by applicant or non-Federal third parties. These can be in the form of real property, hourly labor, equipment use, materials and supplies, services, and other expendable property.)

a. Personnel

b. Fringe Benefits

c. Travel
