Hawaii Technical Notes Announcement No. 10

TO: Field Offices / Service Centers
Plant Materials Center
Hawaii Resource Office
State Office

FROM: Kathleen Dobler, State Resource Conservationist

SUBJECT: **Distribution of Soils Technical Note – No. 8: Ephemeral Gully Worksheet**

The subject worksheet may be used to estimate ephemeral gully erosion in tons per acre per year. The worksheet may be completed by hand or on the computer as an EXCEL spreadsheet. A copy of the EXCEL spreadsheet is available via the internet on the Hawaii NRCS website: <http://www.hi.nrcs.usda.gov/> under Programs and Services, Used by all Programs, Hawaii Technical Notes.

Please file the Technical Note and the updated Soils Index in the Soils section of the Hawaii Technical Notes Binder.

Please file this Announcement and the updated Announcements Index in the front section of the Binder.

If you have any questions in regards to the Technical Note, please contact Larry Shinshiro, State Agronomist, at (808) 541-2600, extension 111.
