## **RANGE TECHNICAL NOTE NO. 24**

### **FENCES: USDA/USDI RANGE STRUCTURAL EQUIPMENT HANDBOOK 8824-2803**

This Technical Note provides a copy of “Fences” to supplement planning and design for practice 382 – Fence and other practices that include fencing. Use the information and drawings in this publication, Range Technical Note #8; Pasture & Range Fences, and Range Technical Note #20; Fence Designs to develop specifications for fences. The appropriate information may be photocopied and attached to the proper job specification worksheet. Any of the designs in these three references will adequately meet standards and specifications for fencing.
