

# GRP SCREENING TOOL

**Instructions:**

*This screening worksheet must be completed for each eligible producer applying for the Grazing Reserve Program (GRP). Applications will be accepted on a continuous basis; however cutoff dates are established for purposes of ranking and funding allocations. The goal of this screening tool is to ensure that conservation technical assistance and GRP benefits are efficiently allocated to target priority lands that have high biodiversity and has a potential to be under threat of conversation other than grazing.*

*Completion of this worksheet and documentation does not constitute agreement to provide GRP program benefits or approval of any GRP rental agreement contract or easement acquisition. The original screening worksheet should be filed with the applicant GRP program file. Upon request, a copy of any completed screening worksheet may be provided to the applicant.*
